

iPleaders Profile

iPleaders consists of a team of lawyers and a management consultant who have set out to re-engineer legal education for emerging India. iPleaders is building a community of professionals, consultants and business leaders around legal education and e-learning.

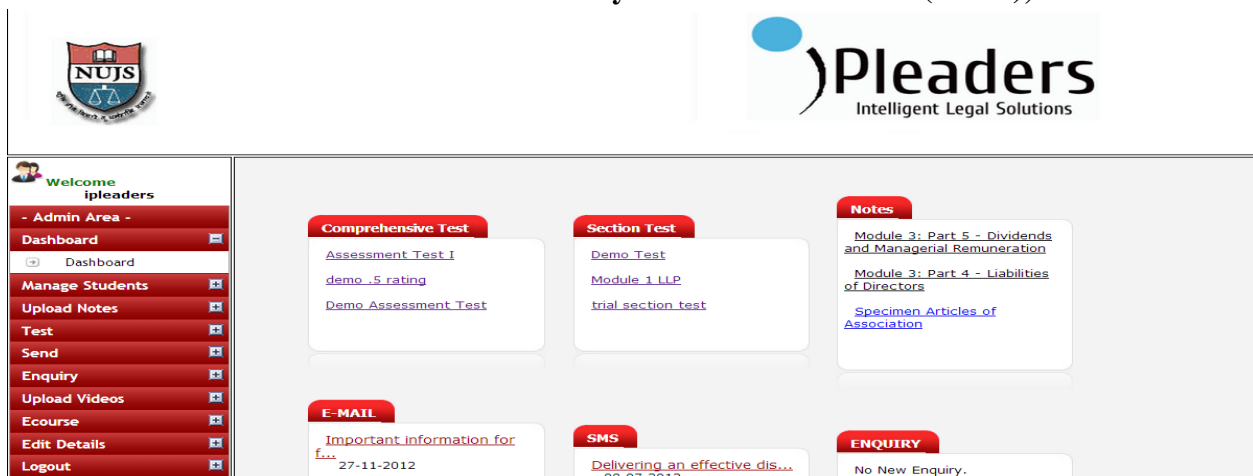

Founding Members

The founders of iPleaders are graduates of the National University of Juridical Sciences (NUJS), Kolkata one of the top law schools in India and have worked at a leading corporate law firm in Mumbai specializing in the areas of Private Equity, Mergers & Acquisitions, Foreign Investment and Corporate Restructuring of several financial and technology companies. The other co-founder holds an MBA from University of Asia and Pacific, Philippines a renowned business school in Asia and has worked as a management consultant in India and abroad independently as well as in various boutique consulting firms.

iPleaders Activities

iPleaders continues to reach out to entrepreneurs through various interactive forums such as entrepreneurship-cells in education institutions (e.g. IIT-KGP, IIT-Delhi eDC, IIT-Madras, BITS Goa, NUJS Kolkata, Christ University (Law) Bangalore, CMS Law College Bangalore), offline entrepreneurship networks (e.g. HeadStart Foundation) and various blogs and group forums focusing on the online reach. Given below is a description of the products / courses offered by iPleaders:

I. Diploma course on Entrepreneurship Administration and Business Laws in collaboration with National University of Juridical Sciences (NUJS), Kolkata
